Textbook Information:

Middle School Courses:

Textbooks available online at fultonschools.org → Students and Families → ClassLink → McGraw-Hill ConnectEd

Semester Workbooks

Georgia Math, Grade 6, 7, and 8 (McGraw-Hill Education)

Vol. 1: ISBN 9780076654833 \$9.99

Vol. 2: ISBN: 9780076654840 \$9.99

High School Courses:

Georgia High School Math 1, McDougal Littell, 2008 Cost: \$70.00

Georgia High School Math 2, McDougal Littell, 2008 Cost: \$70.00

Parent/Teacher Communication:

Communication initiated by parents and teachers is essential to a child's academic and behavioral success. Methods of communications include conferences, email and teacher websites. Parents are strongly encouraged to review teacher websites to monitor the student's organization and study habits. If anything seems unclear, please feel free to contact the teacher at any time.

Grading Scheme:

<i>Weight Names</i>	<i>Percentage of Grade</i>
Summative Assessments	70%
Formative Assessments	30%

Other Resources:

i-Ready (for our Math 6 – 8 students): i-Ready is an interactive online learning environment designed to assess students and provide individualized instruction based on each one's unique needs.

USA Test Prep (for our Algebra I and Accelerated Algebra/Honors Geometry students): USA Test Prep is a test preparation tool that provides resources for personalized learning and curriculum mastery.
